

BACB Information and Resources

If you have questions about the BACB, please visit our [website](#) or submit your inquiry through the [Contact Us Form](#).

About the BACB

Learn more about what the BACB is, what it does, and why.

About Behavior Analysis

This web page highlights some of the many ABA subspecialty areas.

BACB Certificant Registry

This registry can be used to search for certificants and their current status, qualifications, and other details.

Customer Service Updates

This web page contains all current certification application processing timelines.

ACE Provider Web Page

This web page contains the ACE Provider Handbook, directory, applications, and more.

University Training and BACB Applicant Resources

BACB Handbooks: The [BCBA](#), [BCaBA](#), and [RBT](#) Handbooks provide comprehensive information for anyone obtaining or maintaining BACB certification.

BACB Certificant Data: This web page contains current, aggregated certificate and certification program data.

Access to Journals and Databases: Select scholarly journals and databases are freely available to BCBAs and BCaBAs via the Resources tab in their BACB account.

US Employment Demand for Behavior Analysts: Each year, the BACB publishes this report on national employment demand for behavior analysts from the previous 12 months.

University Pass Rates: View Verified Course Sequence pass-rate information.

RBT Examination Pass Rates: View first-time RBT examination pass rates from publicly available training programs.

Ethics Resources

Ethics Codes: These ethics codes outline the ethics requirements that serve as the foundation of applicant, certificant, and consumer protection.

Ethics Resources: This web page provides certificants and others with helpful ethics resources like toolkits, newsletters, podcasts, and more.

Reporting to the Ethics Department: Visit this web page for general guidance on how to report a possible violation of the BACB's ethics requirements.

Certificant Resources

Region-Specific Certificant Data: This tool can be used to search for certificant data by region and date.

US Licensure of Behavior Analysts: This web page features up-to-date information about behavior analyst licensure in the US.

BACB Blog and Inside the BACB Podcast: These resources dive into BACB updates, answer frequently asked questions, and more in a casual, conversational format.

Supervision, Assessment, Training, and Oversight: This web page contains information and resources on supervision, training, and more.
